Target learners

- Healthcare professionals **working in the community** whose primary focus of work is not palliative care but who in the course of their work care for patients with life threatening and progressive life-limiting illnesses.
- Ideal for **established teams** (e.g. family health/medicine team or clinic), **enhancing teamwork**, promoting **interprofessional collaboration**.

Goals

- Provides learners with the essential, **basic competencies** of the palliative care approach. It does not make participants palliative care specialists or experts.
- Enhancing **collaboration amongst providers in different agencies** who need to work together (e.g. community based family physicians, home care nurses, community pharmacists, etc.).

Features

- Competency-based.
- Workshop format; **maximum of 40 learners**.
- Length: **total of 8.5 hours**.
- Preferred delivery is as 'continuous event' (one full day). May also be staggered (e.g. across two separate half days).
- 9 modules that vary in length (0.2 to 1.5 hrs).
- Participant & Facilitator manuals.
- Interprofessional delivery is default, but "uni-disciplinary" courses in some cases.

Facilitators

- Pallium trained and certified LEAP Facilitators. LEAP Facilitators are required to have significant clinical experience in palliative care in the community.
- Participant to facilitator ratio of no more than 15:1 to ensure interactive learning.

Learning activities

- Different methods for different learning styles and learning objectives. These include:
 - Small and large group learning and discussions
 - Case-based
 - Short cases
 - Short videos
 - Reflections
 - Practical tips

LEAP Mini Modules - "Top 10 Tips"

*Each module can be offered as a stand alone workshop

Development process & funding

- Developed by a pan-Canadian team of **content and education experts**.
- Peer-reviewed** and **regularly updated**.
- No industry funding**.
- Development & deployment funded mainly by Health Canada and the Estate of the late Patrick Gillin.

Course organizers

- While some courses are organized and delivered by Pallium Canada, most are organized and delivered by local, regional or national organizations under a Terms of Use Agreement with Pallium Canada.

This Group Learning program has been certified by the College of Family Physicians of Canada for up to 16.50 Mainpro+ credits.

Learners receive a certificate of completion when all course requirements are completed, including pre- and post-course reflections, plus a four month commitment to change.

Course locations & venues

- LEAP Mini courses are held across the country at different venues.

To register or organize a course

- Visit www.pallium.ca for a calendar of courses near you. Some are open, others are by invitation.
- If there is no course near you and/or you wish to bring one to your team, facility or community, contact your local palliative care organization or service, or contact the Pallium Office at support@pallium.ca or 1-613-562-6262 ext. 1784.
- Participants and organizers register through the Pallium Portal (www.portal.pallium.ca).

Course costs

- Costs are variable depending on the discipline and the course organizer. Pallium Canada provides organizers with a recommended course structure fee that is fair and aligns with Pallium's non-profit approach.
- Contact Pallium for discount rates for organizations doing large scale palliative education.
