Target learners

- Healthcare professionals (mainly physicians, nurses, pharmacists but also others) who work in **cancer care** but whose primary focus of work is not palliative care.
- Ideal for developing **teamwork** and promoting **interprofessional collaboration**.

Goals

- Provides learners with the **essential, basic competencies** of the palliative care approach.
- Promoting **collaboration amongst providers in different agencies** who need to work together (e.g. community based family physicians, home care nurses, community pharmacists, etc.).

Features

- Competency-based.
- Workshop format; **maximum of 40 learners**.
- Length: **total of 8.5 hours**
- Preferred delivery is as 'continuous event' (one back-to-back day). May also be staggered (e.g. across two separate half days).
- 9 modules that vary in length (0.2 to 1.5 hrs).
- Participant & Facilitator manuals.
- Interprofessional delivery is default, but "uni-disciplinary" courses in some cases.

Facilitators

- Pallium trained and certified LEAP Facilitators. Facilitators are required to have significant clinical experience in palliative care in cancer care.
- Participant to facilitator ratio of no more than 15:1 to ensure interactive learning.

Learning activities

- Different methods for different learning styles and learning objectives. These include:
 - Small and large group learning and discussions
 - Case-based
 - Short cases
 - Practical tips
 - Short videos
 - Reflections

Course organizers

- While some courses are organized and delivered by Pallium Canada, most are organized and delivered by local, regional or national organizations under a Terms of Use Agreement with Pallium Canada.

This program meets the accreditation criteria of the Royal College of Physicians and Surgeons of Canada and has been accredited for 7.5 MOC Section 1 credits.

Learners receive a certificate of completion when all course requirements are completed, including pre- and post-course reflections, plus a four month commitment to change.

Course locations & venues

- LEAP Onco courses are held across the country at different venues.

To register or organize a course

- Visit www.pallium.ca for a calendar of courses near you. Some are open, others are by invitation.
- If there is no course near you and/or you wish to bring one to your team, facility or community, contact your local palliative care organization or service, or contact the Pallium Office at support@pallium.ca or 1-613-562-6262 ext. 1784.
- Participants and organizers register through the Pallium Portal (www.portal.pallium.ca).

Course costs

- Costs are variable depending on the discipline and the course organizer. Pallium Canada provides organizers with a recommended course structure fee that is fair and aligns with Pallium's non-profit approach.
- Contact Pallium for discount rates for organizations doing large scale palliative education.
